

## CERTIFICATE

### Sanitary components

CSTB attests that the products referred to in the appendix comply with the characteristics described in the certification reference system NF 076 (revision No. 9) after evaluation according to the testing procedures set out in this reference system.

By virtue of the present decision notified by CSTB, AFNOR Certification grants:

**Company** **KK-POL KUCZYNSCY SPÓLKA JAWNA**  
**UL. MLECZNA 40 (Poland)**

**Factory** **PL-03-625 WARSZAWA**  
**PL-05-126 NIEPORET (Poland)**

The right to use the NF mark Sanitary components for the products which are the subject of this decision, throughout its period of validity and under the conditions provided in the NF mark General Rules and in the above-mentioned reference system.

Decision of admission dated of 20/08/2013  
Decision of renewal n° 253-U1-17/1 dated of 24/01/2017

This decision cancels and replaces decision n° 253-U1-16/1 dated of 17/02/2016

**Except in case of withdrawal, suspension or modification, this certificate is valid for 15 months. The updated certificate can be watched on the [evaluation.cstb.fr](http://evaluation.cstb.fr) Web site to check its validity.**

### CERTIFIED CHARACTERISTICS

The products covered by the NF mark Sanitary components have the minimal characteristics required by the following standards, possibly completed by the technical specifications:

NF EN 14-124 & NF EN 1717 & NF 076 - DOC TECH 2

This certificate comprises 2 pages
